Amazing Ministry in Haiti

Our CFM Ministry team arrived in Haiti on Sept. 7 and what an amazing week we had. During our mission we saw terrible acts of wickedness and we saw the glorious work of God as well. We witnessed a powerful move of God with the people we were working with.

We financed and helped build and complete a new church and school facility that will seat about 400 people. Praise God, we also saw the new well continuously pouring out fresh water at the new orphanage site. Go to Peter Wyns facebook page to view some pictures.

About 60 children from the slums joined 40 of the younger orphanage children every day for our Vacation Bible School program. They were taught God's word, loved by the workers, fed a great meal, had their feet washed, had serious wounds cleaned and bandaged, had curses broken off of them, and were prayed over for God's blessings. They were all given new shirts and sandals. They sang, played games and made new Christian friends. It was just outstanding.

Our CFM worship dancers dressed 12 Haitian girls in bright outfits and taught them worship dance. Most nights they performed at the crusade. It was so powerful. The pastors said this has not been seen in Haiti before. One of the Haitians will continue to lead the team in the future.

We financed and held a 6 night crusade and between 500 and 800 attended each evening. Dr. Wyns spoke on Repentance, Breaking Curses, The Baptism of the Holy Spirit, Evangelism, The Seven Goals of a Bible Church, and Prayer. Our entire team prayed for people at the end of each evening. The people were so hungry, that they came forward every night. It seemed that teaching Biblical truths and praying over people, with the laying on of hands, was very new for the Haitian people.

Every day people were saved, curses were broken and many spoke with new tongues. We witnessed such a powerful move of the Holy Spirit with amazing breakthroughs for the people. We experience supernatural protection and God's grace for every challenge and situation that we faced. For our CFM ministry team, this was the mission of a lifetime; one they will never forget.

Haiti is the poorest country in the western hemisphere and ancient curses continue to hang over the people. The witness of Christian missionaries, mostly from the USA, has had a profound effect on the nation since the earthquake, 4 years ago. Now, as many as 60 % of the people profess to be Christians. Many who have said a sinner's prayer, however, still hold on to the traditions of the past. Like with most developing nations there is a deep need for discipleship.

It seems that even many of the pastors lack sound Biblical instruction.

Vigilante justice, massive corruption, theft, murder and hidden, backroom Voodoo practices are still common place throughout Haiti. One doctor from America, who was working near the slums, said she dealt with several gun shot wounds every day.

We are thankful for our Haiti CFM worker, Pastor Silar and other strong leaders who are forging a new wave of Christian strength in the nation. We give God all the glory for the many blessings we left behind in Haiti. We thank each of you who gave financial and prayer support for this mission.
